Subject: Cherry Switch Catalog

Dear Mr. Mooney

Thank you for your interest in our company. We are enclosing a copy of our catalog which illustrates our complete line of switches, and our price list.

Please remember that our catalog lists only standard switch types and that we also have hundreds of variations available on those standards. So whatever your switching needs, there is a good chance we can be of help.

We would like to provide a sample switch for you to evaluate. Please review our catalog and tell us which switch you would like and how you intend to apply it.

I have informed our representative of your interest and he looks forward to learning more about your application. If you need further information, either he or I will be glad to help.

Sincerely

CHERRY ELECTRICAL PRODUCTS CORPORATION
